

BarberBuddy Cookies Policy

Last updated: October 2025

What Are Cookies?

Cookies are small text files placed on your device (computer, tablet, or smartphone) when you visit a website or use a web-based app. Cookies help websites remember your preferences, understand how you interact with the site, and improve your experience.

Why Does BarberBuddy Use Cookies?

We use cookies for three reasons:

Functionality

To keep the app running smoothly (e.g., staying logged in, saving your language or theme).

Analytics

To understand how people use BarberBuddy so we can make it better (e.g., what features are popular, where people get stuck).

Marketing

To show you relevant promotions (not creepy stalking—just basic stuff like remembering if you clicked an ad).

Types of Cookies We Use

1

Essential Cookies

These are necessary for the core app to work—without them, BarberBuddy won't function.

2

Preference Cookies

Save your settings (e.g., dark mode, language, preferred styles).

3

Analytics Cookies

Help us see what works (e.g., with Google Analytics, Mixpanel, or other analytics tools).

4

Third-Party Cookies

Sometimes, third-party services (like Stripe, social logins, or embedded content) set their own cookies. We don't control those, but you should know they exist.

How We Use the Information

We never sell your data.

Cookies let us give you a better, more personalized experience.

Analytics are anonymized wherever possible.

If we use third-party services (e.g., Apple, Stripe, Google, or OpenAI), they may set their own cookies and process data under their own privacy policies.

Managing Cookies

You can manage or delete cookies any time:

Browser Settings

In your browser settings, you can clear, block, or restrict cookies.

Essential Cookies Note

If you disable essential cookies, some BarberBuddy features won't work right.

Mobile Apps

For mobile apps, cookie-like technologies (like device identifiers) are handled by your phone's settings or app permissions.

Your Rights

- ❏ **You have the right to know what data we collect and why.**

You can contact us any time at style@barberbuddy.app to ask questions about your data or cookies.

Changes to This Policy

If we update our cookie policy, we'll post the changes here and update the "Last updated" date. If it's a big change, we'll let you know.
